

Joint Contingency Acquisition Support Office (JCASO)

Operational Contract Support Planning Conference

Tim Freihofer

18 February 2009

Agenda

- **TYPICAL OCS TASKS**
- **CONCEPT**
- **AC09 and TF09**
- **ROAD AHEAD**

JCASO - Typical OCS Tasks

- **Provide advice on policy; support Joint Program Management as required by Statute**
- **JCASO maintain awareness of contractor personnel in a JOA (SPOT)**
- **Provide Commander's acquisition guidance to multiple components, coalition forces and other governmental agencies**
 - Draft Frago's and Warning Orders, recommend LOGSITREP requirements
- **Synchronize JOA OCS with outside JOA OCS, maximize efficiencies, minimize costs, enhance support and reduce competition for resources.**
- **Participate in boards, centers and cells as required to advance the CDR/JTF Commander's intent.**

Initial focus is on exercise support ...

-
- **Answer OCS CCIR's; Provide Reach-back**

OCS Planning

Exercise Support

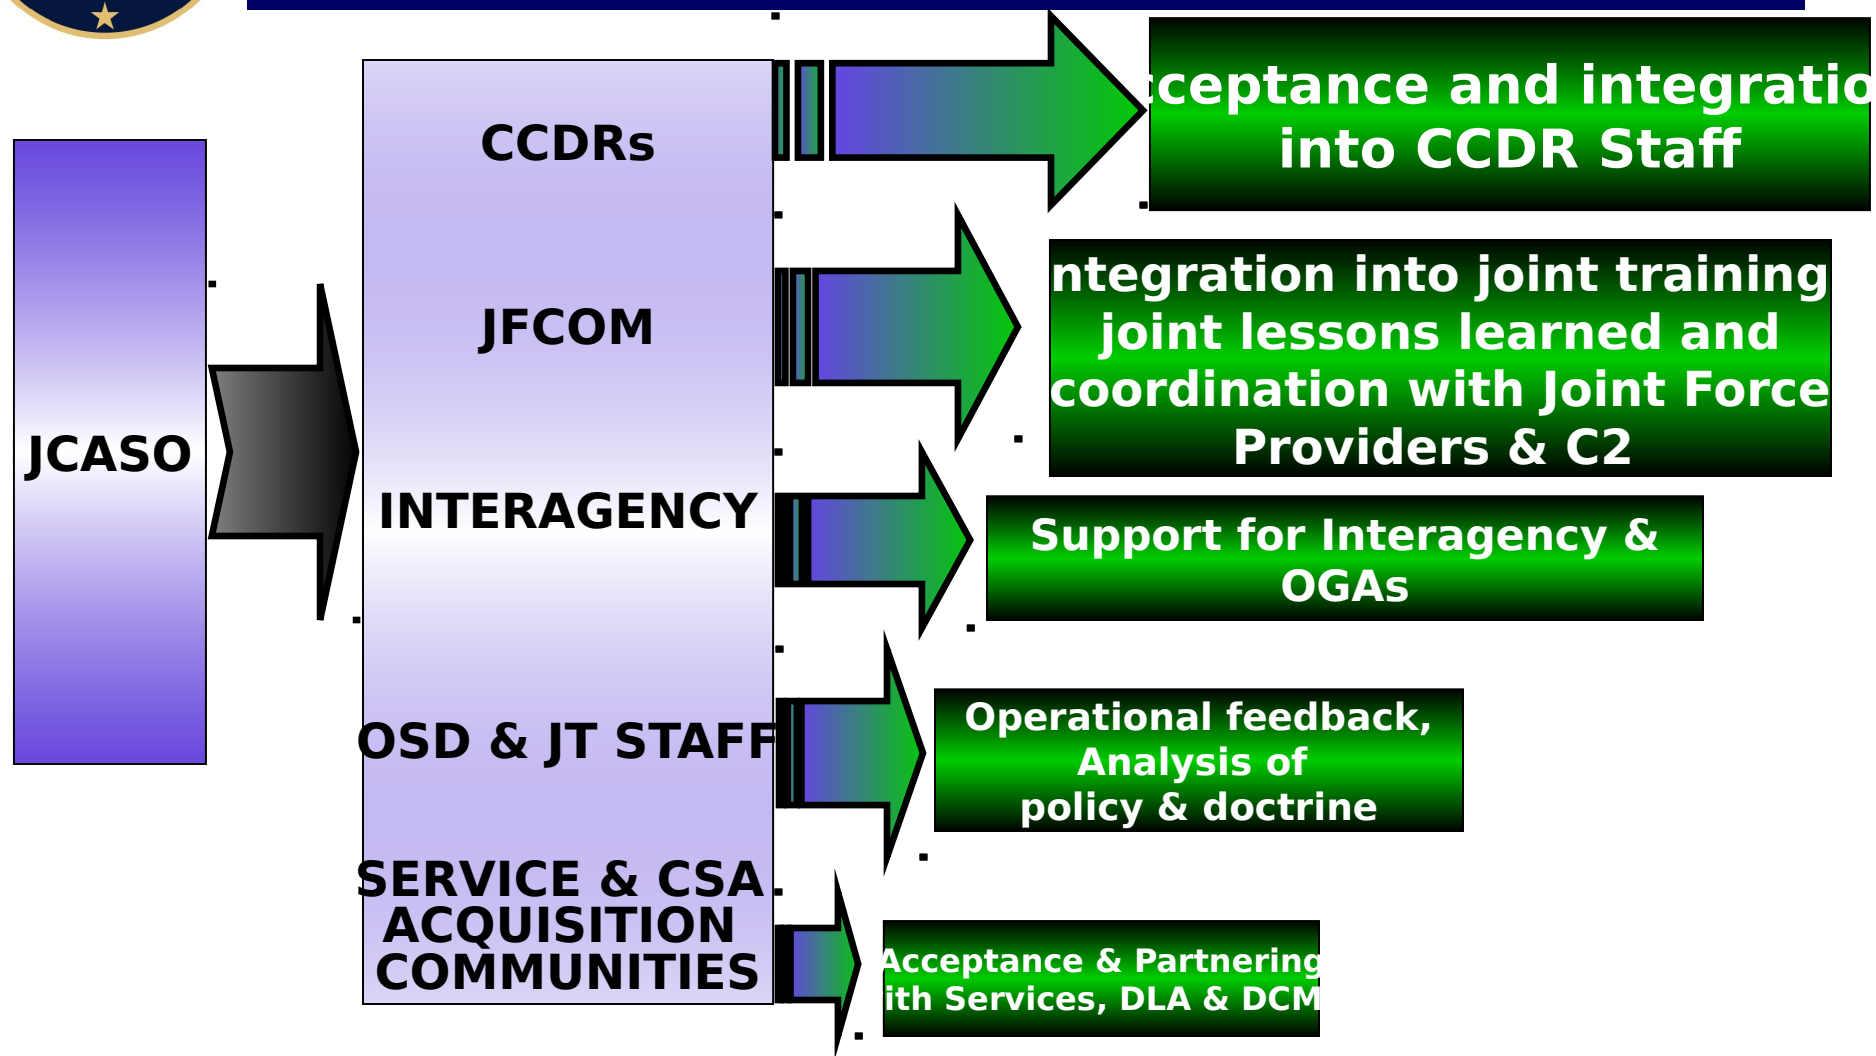

Training

Deployment

- **Not just joint OCS: Interagency and multinational OCS**

JCASO Relationships and Success Factors

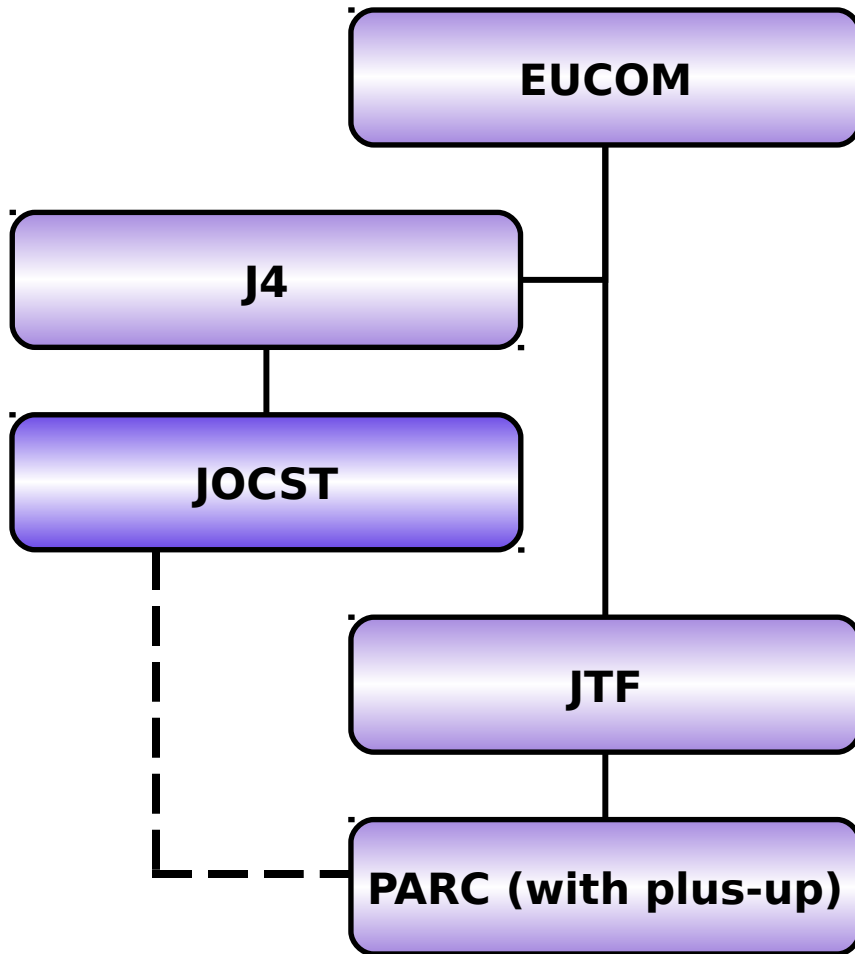

Austere Challenge 09

- EUCOM has a J4K (MAJ Ray Barben)
- JCASO deploying 4 person OCS team to EUCOM HQ
 - Working under aegis of EUCOM J4
 - Military (O-5) LNO to JTF OCS organization
 - 2 person Internal AAR team
- JCASO providing OCS management to GCC
- 409th CSB (COL Leisenring) providing OCS mgt to the JTF (JOA)
- JCASO will monitor JARB, JCSB and JLB
 - Provide SPOT expertise
 - Answer GCC CCIR's
 - Assist 409th w/coordination when requested
 - Provide reach-back support

Austere Challenge 09 OCS C2

- EUCOM requests JCASO OCS enabler
- JCASO sends JOCST to EUCOM
- EUCOM assigns JOCST to J4
- EUCOM builds “purple” staff element around PARC to act as JTF’s OCS expertise
- JCASO
 - Reach-back capability

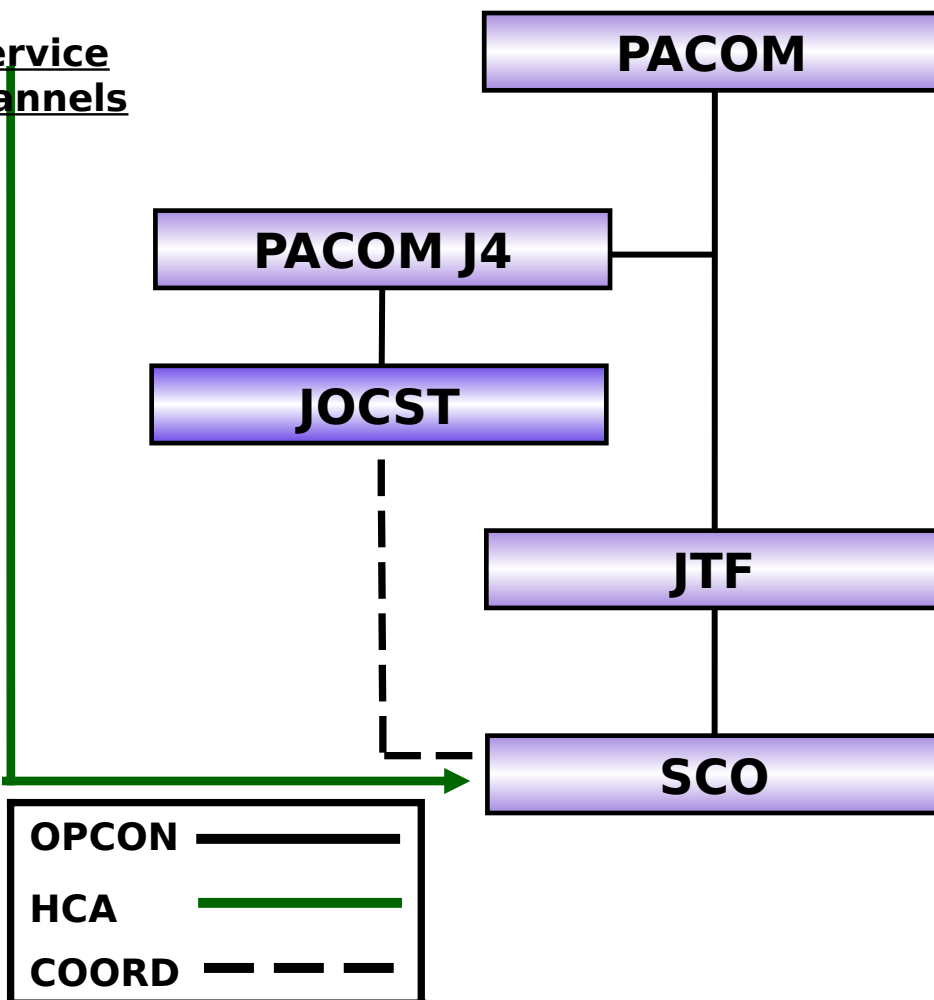

Terminal Fury 09

- PACOM does not have Contract Management Staff Officer
 - Coordinates Contracting through Pacific Contracting Working Group
 - PCWG lead by COL Jay Carlson (PACAF J7K) who is also the Senior Contracting Official (SCO) for PACOM
 - 413th Contracting Brigade to stand up in October 2009
- JCASO deploying 4 person OCS team to PACOM
 - Working under aegis of PACOM J4
 - Physically at PACAF J7K
 - 2 person Internal AAR team
- JCASO providing OCS management to GCC
- SCO to form Joint OCS org and provide OCS mgt to the JTF (JOA)
- JCASO will monitor JARB, JCSB and JLB
 - Provide SPOT expertise
 - Answer GCC CCIR's
 - Assist SCO w/coordination when requested
 - Provide reachback support

TF 09 C2 Structure

Service Channels

- **PACOM requests and receives OPCON of JCASO; assigns to J4 (JOCST)**
 - PACOM J4 runs CLPSB / PCCOWG
- **PACOM chops SCO OPCON to JTF**
- **Warner 854 and JP 4-10 language:**
 - JTF Cdr Runs JARB
 - Head Program Mgt / Contingency Contracting = JCASO
 - SCO Runs JCSB
- **JCASO**
 - Reach-back capability
